Osaka YMCA was founded in 1882, with the aim of fulfilling the Bible phrase, "Bring all the people as one" by transcending nationality, ethnicity, religion and belief.

Osaka YMCA Japanese Language School was established in 1969 with the vision of the development of mutual understanding between people from different cultural backgrounds. For almost 40 years now, it has enabled people to develop a high level of language proficiency and to truly play an active role as a global citizen.

We support each individual student to fulfill his or her purpose of life. We instruct students wholeheartedly with the desire that they will grow to be a dedicated member of a harmonious society.

1

Apply to the YMCA

- Those who submit the application documents to YMCA directly :
Please make an appointment beforehand.
We will not accept documents sent by mail.
- Those who submit the application documents to an overseas agency :
Please submit the application documents and have an interview by herself or himself.

2

In-School Screening / Selection

- Applicants will be accepted based on the results of the screening of application documents and other reviews.

3

Issuing a Certificate of Eligibility

- The result will be informed by mail after the in-school screening.
- An acceptance permit will be enclosed in the same envelope.
- An application for a passport should be submitted to the government organization of an applicant' s home country.
(Some countries may require an acceptance permit at the time of application.)

4

Applying at the Immigration Office

- Osaka YMCA Japanese Language School administration office will apply for a certificate of eligibility (visa) at the immigration office for all those who are accepted.
- It usually takes three months for the immigration office to process the application documents.

5

Issuing a Certificate of Eligibility

- When the immigration office grants the application, the certificate of eligibility will be sent directly to the school.
- Then the administration office will send it after confirming the payment of tuition.

6

- The validity period of the certificate of eligibility is three months after the date of issue.
- Students are expected to arrive in Japan while the certificate is still valid. An orientation and a level test will be given before the course begins.

Class Begins

Osaka YMCA Japanese Language School provides two courses for the needs of the learners. You will not be allowed to change the course after submitting the application form. Please be fully aware of the characteristics of each course before applying.

Comprehensive Japanese Language Course

College Student visa

This course enables students to study the Japanese language in a comprehensive and systematic fashion. Students will acquire a higher language skill and communication ability that is required by the Japanese universities including graduate schools, vocational schools, and higher educational institutions. Along with linguistic study, students are given opportunities to learn about Japanese culture, current topics and the Japanese way of thinking and its background.

Besides comprehensive and systematic language studies, students study subjects such as "Japanese Society" and "The World and Japan" as part of a multicultural understanding course. English is a mandatory subject.
